Profile

- Seasoned interior designer with a strong background in designing and delivering compelling spaces for significant companies like Walt Disney and Adobe Systems. Expert in project management, client consultation, and team coordination, complemented by proficiency in CAD and graphic design software, knowledge of building codes, and excellent space planning capabilities. LEED-certified practitioner distinguished for increasing client satisfaction rates, guiding and leading design teams, adhering to safety standards, and seamlessly executing projects in line with clients' vision.

Education

- Bachelor of Science in Interior Design | UNIVERSITY OF CINCINNATI, Cincinnati, OH | December 2019

Certifications

- LEED Green Associate (LEED GA), U.S. Green Building Council, 2021
- Certified Interior Designer (CID), various state boards, 2020

Key Skills

- CAD and graphic design software
- Client relations
- Knowledge of building codes and safety regulations
- Space planning capabilities
- Material and product sourcing

Professional Experience

LEAD INTERIOR DESIGNER | WALT DISNEY COMPANY, LOS ANGELES, CA | JUNE 2021 – PRESENT

- Delivered over 20 projects on time and within budget, executing a range of design projects tailored to clients' specific needs
- Grew client satisfaction rate by 30% in the span of a year by conducting regular consultations to ensure clients' vision and expectations were accurately reflected in final designs
- Increased project efficiency by delegating tasks to junior staffers, providing constructive feedback, and maintaining a streamlined workflow

SENIOR INTERIOR DESIGNER | ADOBE SYSTEMS INC., SAN FRANCISCO, CA | JANUARY 2020 – MAY 2021

- Oversaw the completion of over 15 major design projects from concept to execution while consistently meeting budget and time constraints
- Conformed to building codes and safety regulations, leading to a flawless record of compliance across all projects
- Leveraged state-of-the-art CAD and graphic design software to create realistic design models for use during client consultations
