City, State Abbreviation Zip Code | (123) 456-7890 | email@example.com | LinkedIn | Portfolio

## Profile

- An adaptable and dedicated travel nurse with an RN license providing high-standard patient care in varying medical facilities. Demonstrates expertise in adjusting to new environments and working conditions, harnessed during assignments across premier health institutions like UnitedHealth Group and Albany Medical Center. In addition, a CPN certification brings a robust and comprehensive understanding of health care community trends and practices.

## Education

- Bachelor of Science in Nursing (BSN) | UNIVERSITY OF ALBANY, Albany, NY | May 2022

## Licensing

- Registered Nurse (RN), New York State Board of Nursing, 2022

## Certifications

- Certified Pediatric Nurse (CPN), Pediatric Nursing Certification Board, 2023

## Key Skills

- Fit into different health care environments
- Basic life support certification
- Knowledge of EHR systems
- Patient care
- Vital signs monitoring

## Professional Experience

### **TRAVEL NURSE | UNITEDHEALTH GROUP, PHILADELPHIA, PA | JUNE 2023 - PRESENT**

- Provide quality care to a diverse patient pool, monitoring vital signs, administering medication, and assisting with recovery
- Adjust to constantly changing environments and teams as assignments vary
- Consistently follow contract terms and conditions, fulfilling agreed-upon responsibilities and remaining at each assignment for the full duration

### **STAFF NURSE | ALBANY MEDICAL CENTER, ALBANY, NY | JANUARY 2023 - MAY 2023**

- Delivered patient-centered health care in a fast-paced hospital ward
- Utilized EHR systems for accurate record-keeping and streamlined patient care
- Earned Basic Life Support Certification and continuously expanded knowledge in specialized nursing areas
