PROFESSIONAL EXPERIENCE

Freelance UX Designer | Self-Employed, Chicago, IL
January 2020 – Present

- Partner with clients in various industries to design responsive websites and mobile apps, increasing client conversion rates by 20% on average
- Conduct user research, usability tests, and A/B tests to iterate designs and identify opportunities to enhance user engagement
- Managed up to four projects concurrently, delivering wireframes, prototypes, and final designs on-budget and ahead of schedule

Freelance UX Designer | DigitalWorks Agency, Remote
June 2017 – December 2020

- Designed mobile-first web interfaces for a wide range of e-commerce businesses, improved the visual design and functionality of online shopping carts, and successfully increased online sales by 17% for a major client account
- Collaborated developers and product managers to ensure seamless integration of UX designs into the final product
- Conducted remote usability testing with users across different demographics to gather feedback and inform design decisions
