

# OLIVIA BENNETT

(888) 777-9999 • oliviabennett@example.com • Denver, CO 80202

Caring LVN with three years of experience in school health services. Passionate about promoting student wellness, preventing illness, and addressing health-related barriers to learning. Experienced in collaborating with educators and parents to support children's physical and mental health.

## Professional Experience

SCHOOL NURSE | DENVER PUBLIC SCHOOLS, DENVER, CO | AUG 2021 - PRESENT

- Administered medications, treated minor injuries, and provided health education to a student population of over 400.
- Created individualized health care plans for students with chronic conditions, ensuring a 95% attendance rate.
- Conducted vision, hearing, and scoliosis screenings, identifying and referring students for further evaluation.

PEDIATRIC LVN | KIDS FIRST HEALTH INITIATIVE, BOULDER, CO | MAY 2020 - AUG 2021

- Supported community health programs by providing vaccinations and health screenings for children in underserved areas.
- Coordinated with local schools and health departments to address public health concerns, including immunization compliance.
