PROFESSIONAL EXPERIENCE

Senior IT Project Manager | Vekoma Sports Betting, New York, NY
August 2018 – Present

- Manage all aspects of front-end development of the website, Android application, and iOS mobile application for a sports betting company with over 20 million users
- Lead a series of projects to define and implement new features to enhance the UX based on feedback and user stories, contributing to a 12% increase in adoption and a 22% increase in user satisfaction ratings
- Oversee a team of 25 UX designers, web developers, and full-stack developers and cultivate a proactive work culture centered around creativity and innovation

Senior UI Developer | Digital Currents, New York, NY
May 2014 – August 2018

- Manage a team of over 20 user interface (UI) designers and software engineers to design, develop, and deploy an Android and iOS mobile application for a cryptocurrency exchange platform with over 15 million users, resulting in a 4.9-star rating on the Google Play Store
- Coordinate with the IT director and senior leadership to define an overarching strategy for new feature development and identify opportunities to enhance app functionality

EDUCATION

- Bachelor of Science (B.S.) Web Development
UNIVERSITY OF SYRACUSE, Syracuse, NY | May 2014
