June 2013

SKILLS

- Alteryx, Anaplan, Oracle NetSuite, Python, SQL, Tableau
- Cross-functional cost optimization
- Data-driven storytelling
- E-commerce financial modeling
- Retail expansion strategy
- Stakeholder management

PROFESSIONAL EXPERIENCE

Senior Financial Analyst | April 2019 – present

Chewy, Minneapolis, MN

- Oversee financial planning and analysis for Chewy's $500 million Health Care division
- Lead a cross-functional team to implement cost-saving initiatives, resulting in $5 million in annual savings across supply chain, marketing, and customer service operations
- Developed a comprehensive financial model for the successful launch of three new product lines in telemedicine and prescription services
- Exceeded revenue projections by at least 25% in the first quarter of each product launch, leveraging advanced Excel and R for predictive modeling
- Redesigned the annual budgeting processing and reduced cycle time by seven to 10 days

Financial Analyst | August 2014 – March 2019

Pet Supplies Plus, Rochester, MN

- Managed financial reporting for over 200 retail pet supply locations with a combined annual revenue of $1 billion using SAP Concur and QuickBooks Enterprise
- Implemented PowerBI dashboards to reduce ad-hoc reporting requests by 40%, which saved approximately 15 hours of work per week
- Spearheaded system migration to Microsoft Dynamics 365 to improve data processing efficiency
- Facilitated financial analysis for three new markets, projecting return on investment (ROI) and break-even points, which led to the successful opening of 10 new stores

CERTIFICATIONS

- Certified Financial Analyst (CFA) Level II, CFA Institute, 2021
