# MEERA PATEL

## SENIOR JAVA DEVELOPER

A highly skilled Java developer with a master's degree in software engineering from Stanford University and a proven track record at leading tech companies like IBM and Amazon. Proficient in Java and Java Frameworks, SQL, database structures, and web services, with a demonstrated ability to design, implement, and maintain high-volume, low-latency applications for mission-critical systems. Certified by Oracle, Microsoft, and AWS, and recognized for improving system performance, reducing development errors, and enhancing application functionality.

## KEY SKILLS

- Java and Java Frameworks
- Software development
- SQL and database structures

## PROFESSIONAL EXPERIENCE

**Senior Java Developer** | IBM, New York, NY | June 2018 to present

- Lead a team of junior developers in designing and implementing high-volume, low-latency applications for mission-critical systems, resulting in a 20% increase in system efficiency
- Conducted comprehensive software analysis, programming, testing, and debugging, which improved system performance by 30%
- Played a key role in all phases of the development lifecycle, ensuring designs comply with specifications and contributing to a 15% reduction in development errors

**Java Developer** | Amazon, Seattle, WA | May 2017 to June 2018

- Designed, developed, and maintained Java applications, contributing to the successful launch of three major projects
- Used SQL and database structures to optimize data retrieval and storage, improving database performance by 25%
- Collaborated with cross-functional teams to integrate web services and application programming interfaces (APIs), enhancing application functionality and user experience (UX)

## EDUCATION

**BS in Computer Science**
Massachusetts Institute of Technology, Cambridge, MA

**Master of Science (MS) in Software Engineering**
Stanford University, Stanford, CA

**BS in Information Technology**
University of California, Berkeley, CA

## PROFESSIONAL DEVELOPMENT

- Oracle Certified Professional, Java SE 8 Programmer (OCPJP 8), Oracle
- Microsoft Certified: Azure Developer Associate (AZ-204), Microsoft
- AWS Certified Developer - Associate (DVA-C01), AWS
