- Wound care

PROFESSIONAL EXPERIENCE

October 2019 - May 2023

Home Health LVN, Comfort Care Home Health | Houston, TX

- Provide care to elderly and post-surgical patients in their homes, including wound care, medication administration, and vital sign monitoring.
- Educate patients and families on medication adherence, nutritional guidance, and managing chronic diseases such as diabetes and hypertension.
- Collaborate with physicians and other healthcare professionals to ensure the patient's care plan is executed properly, achieving a 90% patient satisfaction rate.

May 2017 - October 2019

LVN, Memorial Hermann Home Health | Houston, TX

- Administered daily care to 20+ patients, including routine assessments, medication management, and post-operative recovery support.
- Worked with families to manage care expectations, providing emotional support and patient advocacy, which resulted in a 15% reduction in hospital readmissions.

EDUCATION

Certificate in Vocational Nursing (LVN)

Houston Community College, Houston, TX | February 2017

CERTIFICATIONS

- Licensed Vocational Nurse (LVN), State of Texas, March 2017
- Basic Life Support (BLS), American Heart Association, August 2017
