## KEY SKILLS

- Patient care
- Vital signs monitoring
- Medication administration
- Patient education
- Clinical documentation

## CERTIFICATIONS

- Licensed Vocational Nurse (LVN), State of Texas, March 2023
- CPR Certified, February 2023

## ABOUT ME

A newly certified LVN with a passion for patient care and a strong foundation in medical knowledge. Committed to providing compassionate care, improving patient outcomes, and ensuring patient comfort in fast-paced healthcare environments. Eager to apply clinical skills in an entry-level nursing position.

## PROFESSIONAL EXPERIENCE

### Student Nurse

University Hospital, Fort Worth, TX | January 2023 - May 2023

- Assisted in direct patient care, including vital sign monitoring, wound care, and medication administration under the supervision of licensed nurses.
- Participated in patient assessments and collaborated with nursing teams to develop individualized care plans.
- Supported discharge planning by educating patients and families on home care instructions and medication management.

### Intern Nurse

Trinity Health Services, Fort Worth, TX | June 2022 - December 2022

- Gained experience in assisting nursing staff with daily routines, including helping patients with mobility, personal hygiene, and feeding.
- Documented patient health data accurately and ensured the safe administration of prescribed medications.

## EDUCATION

Associate of Science in Nursing (ASN)

Texas Health College, Fort Worth, TX | September 2017
