- Wound care
- Home care services
- Patient education

## EDUCATION

- CERTIFICATE IN VOCATIONAL NURSING (LVN) | PHOENIX HEALTH ACADEMY, PHOENIX, AZ | APRIL 2017

# Javier Martinez

A dedicated LVN with 5 years of experience providing home care services for patients recovering from surgery, managing chronic illnesses, and dealing with age-related health issues. Known for providing compassionate, patient-centered care and for being proactive in improving patient compliance with treatment plans.

## PROFESSIONAL EXPERIENCE

HOME CARE LVN | PHOENIX HOME HEALTH, PHOENIX, AZ | MAY 2020 - PRESENT

- Provide in-home nursing care to elderly patients and those recovering from surgery, including medication administration, wound care, and monitoring vital signs.
- Educate patients and their families on disease management, including managing diabetes, hypertension, and other chronic conditions.
- Coordinate with physicians and healthcare providers to update care plans and ensure the highest level of patient care.

LVN | MOUNTAIN VIEW HEALTH SERVICES, PHOENIX, AZ | MARCH 2017 - MAY 2020

- Delivered daily care for patients with chronic conditions, including administering medications and providing post-operative recovery support.
- Collaborated with healthcare teams to develop individualized care plans, improving patient outcomes and reducing hospital readmissions.

## CERTIFICATIONS

- Licensed Vocational Nurse (LVN), State of Arizona | September 2017
- CPR Certified | February 2017
