EDUCATION

Certificate in Vocational Nursing (LVN)
San Francisco College of Nursing, San Francisco, CA
September 2017

PROFESSIONAL EXPERIENCE

- LVN, Kaiser Permanente, Oakland, CA, Fort Worth, TX
January 2020 – May 2023
 - Administer medications, perform routine assessments, and manage wound care for a diverse patient population, contributing to improved clinical outcomes and patient satisfaction.
 - Collaborate with physicians, case managers, and multidisciplinary teams to create personalized care plans and ensure patients receive comprehensive care.
 - Train and mentor new LVNs, ensuring adherence to Kaiser Permanente's standards of care and patient safety.
- LVN, Golden Gate Health, San Francisco, CA, Fort Worth, TX
March 2017 – December 2019
 - Provided direct patient care, including monitoring vital signs, performing catheter care, and assisting with diagnostic procedures.
 - Educated patients on chronic disease management, medication adherence, and post-treatment care.

CERTIFICATIONS

- Licensed Vocational Nurse (LVN), State of California, January 2017
- BLS and ACLS Certification, September 2017
