

MS

Mary Smith

Compassionate and detail-oriented CNA eager to begin a career in patient care. Recently certified with hands-on training in assisting with daily living activities, vital signs monitoring, and patient safety. Passionate about delivering high-quality support to patients while learning from experienced medical professionals.

PROFESSIONAL EXPERIENCE

Volunteer, Community Senior Care Center | June 2023 - Present
Springfield, IL | Nashville, TN

- Assisted residents with meals, social activities, and mobility, ensuring a comfortable and engaging environment
- Shadowed CNAs and RNs to gain hands-on knowledge of patient care protocols
- Provided companionship to residents, enhancing emotional well-being and reducing social isolation

Retail Associate, Local Pharmacy | September 2021 - May 2023
Local Pharmacy | Springfield, IL

- Assisted customers with prescriptions and over-the-counter medications, developing a foundational knowledge of health care services
- Maintained store cleanliness and organization to meet industry safety standards
- Provided excellent customer service, ensuring a positive experience for all visitors

CERTIFICATIONS

- Certified Nursing Assistant (CNA), Illinois Department of Public Health, August 2024
- Basic Life Support (BLS) Certification, American Heart Association, January 2024
