## ABOUT ME

Highly skilled LVN with 5 years of experience in acute care nursing, specializing in trauma and emergency care. Adept at working in fast-paced environments, providing critical care to patients in emergency rooms, and collaborating with multidisciplinary teams to improve patient outcomes.

## PROFESSIONAL EXPERIENCE

### LVN – Acute Care

San Diego Trauma Center, San Diego, CA | January 2020 - Present

- Provide immediate care for patients in a busy trauma center, performing triage, medication administration, and vital signs monitoring for critically ill patients.
- Collaborate with RNs, physicians, and surgeons to create and implement emergency care plans for trauma victims and acute medical conditions.
- Educate patients and families on treatment options, recovery plans, and preventive care, enhancing patient understanding and compliance.

### LVN

San Diego General Hospital, San Diego, CA | June 2016 - January 2020

- Delivered nursing care in a fast-paced emergency department, including wound care, IV insertion, and assisting with diagnostic procedures.
- Assisted in managing patient flow during high-traffic periods, ensuring timely care and reducing patient wait times by 15%.
- Maintained accurate medical records and ensured compliance with HIPAA regulations.
