PROFESSIONAL EXPERIENCE

May 2016 - Present

Electrical Engineering Manager, GreenTech Innovations | Boston, MA

- Manage a team of 20 electrical engineers to design and implement electrical systems for large-scale commercial buildings, improving energy efficiency by 18%
- Spearheaded the development of a new electrical system for a renewable energy project, contributing to a 25% reduction in operational costs
- Implemented a new system for tracking project progress and compliance, reducing project delays by 12%

June 2012 - May 2016

Senior Electrical Engineer, VoltTech Solutions | Boston, MA

- Designed and tested electrical systems for industrial clients, reducing energy consumption by 20% and cutting maintenance costs by 15%
- Conducted thorough testing of electrical components to ensure compliance with national safety and electrical codes
- Led the integration of automation systems, improving production efficiency by 10%

EDUCATION

Master of Science (M.S.) Electrical Engineering

Austin, TX | August 2012

Bachelor of Science (B.S.) Electrical Engineering

University of California, Berkeley, CA | May 2009

CERTIFICATIONS

- Project Management Professional (PMP), Project Management Institute, May 2016
- Certified Electrical Engineer, National Society of Professional Engineers, May 2012
