CERTIFICATIONS

- Project Management Professional (PMP), Project Management Institute, February 2015
- Certified Electrical Engineer, National Society of Professional Engineers, August 2010

PROFESSIONAL EXPERIENCE

Electrical Engineering Manager

GreenTech Innovations, Boston, MA | January 2018 - Present

- Lead a team of 25 engineers to design and implement electrical systems for smart buildings, resulting in a 20% reduction in energy consumption
- Spearheaded the development of a new renewable energy project, reducing operational costs by 30% over three years
- Managed multi-million dollar budgets and ensured that all projects were delivered within scope, schedule, and budget constraints

Electrical Engineer

Electra Solutions, Boston, MA | June 2010 - January 2018

- Designed electrical systems for industrial automation projects, improving system reliability and reducing downtime by 15%
- Worked closely with clients to tailor electrical solutions, leading to a 10% increase in customer satisfaction ratings
- Conducted rigorous testing and analysis to ensure compliance with national electrical codes and safety standards

EDUCATION

Master of Science (M.S.) Electrical Engineering
Data Science Civil Engineering
Massachusetts Institute of Technology, Cambridge | April 2010

Bachelor of Science (B.S.) Electrical Engineering
University of California, Berkeley, CA | May 2008
