PROFESSIONAL EXPERIENCE

Fifth Grade Elementary Science Teacher

ABC Elementary School, Austin, TX | August 2017

- Instructed more than 120 fifth-grade students annually, developing and implementing a comprehensive science curriculum that increased student engagement by 30% and improved standardized test scores by 20%
- Conducted regular assessments of student progress, providing detailed feedback and implementing individualized learning plans for students struggling with certain concepts
- Facilitated weekly science experiments, ensuring strict adherence to safety protocols and enhancing students' understanding of scientific principles

Science Teacher

XYZ Charter School, New York, NY | June 2015 - July 2017

- Taught science to approximately 100 students in grades 4 to 6, creating and executing lesson plans in line with state standards, resulting in a 15% improvement in overall student performance
- Assessed student understanding through assignments and tests, providing constructive feedback to both students and parents
- Organized and conducted safe and educational science experiments, fostering a love for science and hands-on learning among students
