KEY SKILLS

- Analytical method development
- Biopharmaceutical formulation
- GMP compliance
- Pharmaceutical research
- Stability testing

PROFESSIONAL EXPERIENCE

SENIOR PHARMACEUTICAL SCIENTIST | VERTEX PHARMACEUTICALS, BOSTON, MA

SEPTEMBER 2018 – PRESENT

- Designed stability testing protocols for three Phase II drugs, accelerating regulatory approval timelines by 12%
- Co-lead cross-functional teams with chemists and clinical researchers to optimize drug release profiles

PHARMACEUTICAL RESEARCH ASSOCIATE | BIOPHARMA SOLUTIONS, NEWARK, NJ

JULY 2014 – AUGUST 2014

- Conducted pre-formulation studies for new oncology therapeutics
- Authored stability testing reports included in multiple IND (Investigational New Drug) submissions

EDUCATION

- Bachelor of Science (B.S.) in Pharmaceutical Sciences
Rutgers University, New Brunswick, NJ | May 2014
