

AJ

# Alex Johnson

I am an ambitious business analyst with nearly two years of experience in the healthcare sector. I deliver data-driven insights and strategic recommendations. I excel at demand forecasting and KPI analysis using advanced data modeling.

## PROFESSIONAL EXPERIENCE

JUNIOR BUSINESS ANALYST | BOSTON CONSULTING GROUP, REMOTE  
JUNE 2023 – PRESENT

- Supported a team of 10 consultants by developing complex data models, contributing to a 5% profitability increase for healthcare clients.
- Produced quarterly investor presentations that secured an additional \$1 million in funding.

BUSINESS ANALYST INTERN | MCKINSEY & COMPANY, SAN FRANCISCO, CA  
JANUARY 2022 – DECEMBER 2022

- Collaborated with multidisciplinary teams to refine financial models using SAP analytics, saving \$750,000 annually.
- Completed 20 ad-hoc projects utilizing Python to streamline data retrieval processes, reducing processing time by 30%.

## EDUCATION

Bachelor of Science in Business Administration | Sacramento State University  
Sacramento, CA | June 2022
