

JD

John Doe

I am a highly driven civil engineer with internship experience at Lockheed Martin and government projects. I excel in design assistance, data analysis, and quality assurance to optimize construction processes.

PROFESSIONAL EXPERIENCE

ENTRY-LEVEL CIVIL ENGINEER | LOCKHEED MARTIN, ORLANDO, FL
JULY 2022 – PRESENT

- Assisted in the development of four major infrastructure projects using CAD software.
- Conducted data analysis that improved design optimization by 20%.
- Participated in quality assurance checks to ensure compliance with federal standards.

MECHANICAL ENGINEERING INTERN | GOOGLE, MOUNTAIN VIEW, CA
MAY 2021 – DECEMBER 2020

- Supported the creation of 3D models for new tech products using SolidWorks.
- Performed failure analysis on components, improving production efficiency by 15%.

EDUCATION

Bachelor of Science in Mechanical Engineering | University of California
Berkeley, CA | June 2023
