

JM

Jessica Martinez

I am a senior electrical engineer with a PhD and extensive experience in research, development, and mentoring. I excel in circuit design, system optimization, and leading innovative projects.

PROFESSIONAL EXPERIENCE

SENIOR ELECTRICAL ENGINEER | LOCKHEED MARTIN, SAN FRANCISCO, CA
JUNE 2021 – PRESENT

- Managed R&D projects with a cumulative budget of over \$100 million, enhancing system efficiency by 25%.
- Mentored a team of 10 engineers, resulting in a 20% increase in productivity.

ELECTRICAL ENGINEER | BOEING, SAN FRANCISCO, CA
JULY 2018 – MAY 2021

- Designed and optimized electrical systems for aviation projects, reducing system failures by 15%.
- Developed technical solutions that improved overall performance and reliability.

EDUCATION

PhD in Electrical Engineering | UC Berkeley, CA
Stanford, CA | March 2018

Master of Science in Electrical Engineering | USC
Los Angeles, CA | June 2014
