Ian Rivera

Dental Lab Assistant

ABOUT ME

I am a detail-oriented dental lab assistant with experience in creating dental models and maintaining lab equipment. I excel in supporting dentists with accurate impressions and laboratory tasks that contribute to superior patient outcomes.

PROFESSIONAL EXPERIENCE

Dental Lab Assistant | Precision Dental Lab, San Diego, CA

March 2020 – Present

- Fabricated dental models and prostheses with a 98% accuracy rate.
- Assisted in managing lab inventory and equipment maintenance to ensure consistent quality.

Lab Technician | Smile Lab, San Diego, CA

January 2018 – February 2020

- Prepared dental impressions and processed laboratory work orders.
- Collaborated with dental assistants and dentists to ensure timely delivery of lab work.
