

Sophia Bennett

I am an emergency room nursing student with hands-on clinical experience in fast-paced emergency care settings. I excel in quick decision-making and thrive under pressure while delivering high-quality patient care.

KEY SKILLS

- Emergency Triage
- Critical Thinking
- Rapid Patient Assessment
- Team Collaboration

EDUCATION

Bachelor of Science in Nursing
(BSN) | University of Miami,
Miami, FL
May 2025

PROFESSIONAL EXPERIENCE

ER Clinical Rotation

Jackson Memorial Hospital, Miami, FL | January 2023 – Present

- Assisted in triaging patients and providing immediate care in a high-volume ER.
- Collaborated with emergency teams to manage critical cases and document patient progress.

Volunteer

Emergency Response Unit, Miami, FL | August 2022 – December 2022

- Supported staff with patient transport and initial assessments during emergencies.
- Helped maintain a calm environment during peak patient influx.
