## Key Skills

- Structural analysis
- CAD software
- Quality assurance
- Project management
- Design optimization

## Education

- Master of Science in Civil Engineering

Stanford University, Stanford, CA

June 2019

- Bachelor of Science in Mechanical Engineering

MIT, Cambridge, MA

January 2017

## Professional Experience

SENIOR CIVIL ENGINEER | BOEING, PHILADELPHIA, PA  
JUNE 2021 – PRESENT

- Led structural design and analysis for aviation projects valued at over \$1.5 million.
- Mentored a team of civil engineers, increasing overall productivity by 15%.

CIVIL ENGINEER | LOCKHEED MARTIN, PHILADELPHIA, PA  
JULY 2018 – MAY 2021

- Conducted detailed design analysis and optimized construction processes, improving material utilization by 20%.
- Implemented quality assurance measures that reduced design errors by 10%.
