

EJ

Emily Johnson

Health Care Data Analyst

Health care data analyst with five years of experience analyzing patient data and improving clinical operations. Proficient in health care-specific tools, such as Epic and SQL, to identify patterns and enhance decision-making. Adept at bridging the gap between clinical staff and IT departments.

PROFESSIONAL EXPERIENCE

Health Care Data Analyst | January 2020 - Present
MedTech Analytics | City, ST

- Analyzed patient outcomes, identifying trends that reduced readmission rates by 12%
- Design HIPAA-compliant dashboards in Tableau, providing real-time patient metrics to clinicians
- Collaborate with IT to streamline data extraction processes from Epic systems

Clinical Data Coordinator | June 2018 - December 2019
HealthCore Systems | City, ST

- Assisted in developing data quality checks for patient information systems
- Conducted analysis on clinical trial data to ensure regulatory compliance
- Presented findings to cross-functional teams, enabling better clinical resource allocation
