## EDUCATION

Bachelor of Science (B.S.) in  
Computer Information Systems  
Texas State University, San Marcos,  
TX  
May 2013

## PROFESSIONAL EXPERIENCE

### Software Programmer III | VaultIQ Solutions, Austin, TX March 2017 – Present

- Designed and deployed a C# batch processing engine for financial data feeds, reducing nightly run times from seven hours to 2.3 hours and saving about \$140,000 annually in cloud computing costs
- Led the integration of .NET Core services with Angular-based admin tools, improving operational team efficiency by 34%
- Spearheaded automated testing initiative that reduced regression defects by 62% within one release cycle

### Software Developer | FirstFront Systems, Round Rock, TX July 2013 – February 2017

- Maintained and expanded internal risk analysis platform used by 200+ analysts
- Created real-time data validation rules that cut manual reconciliation tasks by 50%
- Participated in three major version upgrades, improving platform stability and reducing customer bug reports by 45%

## CERTIFICATIONS

- Microsoft Certified: Azure Developer Associate, Microsoft, June 2021
- Certified Scrum Developer (CSD) , Scrum Alliance, April 2020
