

Stephanie Rivera

Web Programmer

Tampa, FL 33602 | (555) 390-6521 | stephanie.rivera@example.com | [Github](#) | [Portfolio](#)

Web programmer with seven years of experience building responsive, accessible, and SEO-optimized web applications. Proficient in JavaScript, HTML5, and modern CSS frameworks. Experienced in developing user-facing features, improving page performance, and collaborating across marketing and user experience (UX) teams.

PROFESSIONAL EXPERIENCE

Front-End Web Programmer | March 2019 – Present

Everlight Digital, Tampa, FL

- Led front-end rebuild of company's core product site using React and Tailwind, improving load times from 5.2 to 1.3 seconds and increasing mobile traffic by 41%
- Integrated Google Lighthouse and accessibility testing tools, raising ADA compliance scores from 62 to 98 and contributing to a 26% reduction in bounce rate
- Partnered with content and SEO teams to implement structured schema and dynamic metadata, boosting organic search visibility by 37% year-over-year (YoY)

Web Developer | August 2016 – February 2019

BlueByte Studios, Tampa, FL

- Built custom WordPress themes and plugins for 35+ small business clients, achieving an average client satisfaction rating of 4.9 out of 5
- Designed and launched an internal CMS template framework that cut development time by 30% on repeat site builds
- Maintained client hosting environments and automated site backups, preventing data loss incidents and reducing site recovery time from eight hours to under 45 minutes

EDUCATION

Bachelor of Science (B.S.) in Web Development

University of South Florida May 2016
