Bachelor of Science (B.S.) in  
Data Analytics | University of  
Missouri – Kansas City , Kansas  
City, MO  
May 2009

## PROFESSIONAL EXPERIENCE

### Enterprise Data Manager

Midstream BioPharma, Kansas City, MO | January 2018 – Present

- Developed enterprise data catalog and governance model adopted across six departments and three global sites
- Increased data accuracy in clinical systems from 72% to 97% through master data management (MDM) framework
- Collaborated with compliance to align systems with GxP and FDA 21 CFR Part 11 standards
- Reduced data integration costs by 620,000 annually by sunseting 12 legacy pipelines

### Data Quality Analyst

ArrowHealth Technologies, Kansas City, MO | July 2015 – December 2017

- Created data validation tools that flagged 85% of anomalies pre-deployment
- Wrote SQL-based dashboards used by compliance and research and development (R&D) teams
- Standardized field formats across systems, reducing manual data correction by 54%
