### EDUCATION

**Master of Science in Civil Engineering**  
University of Colorado Boulder, Boulder,  
CO  
May 2013

### ABOUT ME

Infrastructure Project Manager with 8 years of experience delivering heavy-civil and municipal works. Skilled in stakeholder permitting, traffic control planning, and multi-agency coordination to advance public-sector initiatives on time and under budget.

### PROFESSIONAL EXPERIENCE

**Infrastructure Project Manager** | September 2016 - Present  
Metro Public Works, Denver, CO

- Delivered 5 roadway and utility upgrade projects totaling \$60M, completing 2 months ahead of schedule.
- Secured all municipal and environmental permits within 90 days, avoiding regulatory delays.
- Directed traffic control and public outreach, reducing community complaints by 40%.

**Project Engineer** | June 2013 - August 2016  
Rocky Mountain Civil, Denver, CO

- Prepared bid packages and cost estimates for water main replacements (\$10M+).
- Managed on-site QA/QC inspections, achieving zero safety incidents.

### CERTIFICATIONS

- Professional Engineer (PE), Colorado Board of Licensure | May 2015
