

Billy Adams

Neuro Travel Nurse

(123) 456-7890 • City, State Abbreviation, Zip Code • email@example.com • LinkedIn | Portfolio

Experienced neuro travel nurse with seven years in stroke, ALS, and epilepsy units. Proficient in neurological assessments, seizure management, and intracranial pressure monitoring. Proven success in implementing early mobility protocols that reduced ICU stays by 0.5 days.

Key Skills

- Neurological assessments (NIHSS, GCS)
- ICP monitoring & TBI care
- Seizure recognition & response
- Early mobility in the neuro ICU
- Patient/family education

Professional Experience

Neuro Travel Nurse | Barrow Neurological Institute, Phoenix, AZ | October 2018 – Present

- Conduct comprehensive neurological assessments using NIHSS and GCS for 6–8 stroke patients per shift, improving early intervention rates by 20%
 - Manage continuous ICP monitoring in TBI patients, maintaining ICP within the target range 85% of the time
- Collaborate with PT/OT to implement early mobility protocols in neuro ICU, reducing average ICU stays by 0.5 days

Neuro Staff Nurse | Cleveland Clinic Neurological Institute, Cleveland, OH | June 2012 – September 2018

- Provided care for 10–12 neuro patients per shift, including stroke, ALS, and seizure disorders, with a documented 95% seizure response success rate
- Developed and delivered patient/family education on stroke prevention and seizure safety, reducing seizure-related readmissions by 15%

Participated in neurosurgery rounds, ensuring continuity of care and reducing handoff errors by 25%

Education

Bachelor of Science in Nursing (BSN), May 2012 | Case Western Reserve University, Cleveland, OH

Certifications

- Cardiac Vascular Nursing Certification (RN-CV), AACN, March 2016
- Advanced Cardiovascular Life Support (ACLS), American Heart Association, March 2014
