

Theresa Jimenez

IT Consultant

IT consultant with six years' experience designing and implementing infrastructure and security solutions for clients in finance and healthcare. Expertise in cloud migrations, network architecture, and cybersecurity. Delivered 99.9% uptime SLAs and reduced security incidents by 45%.

PROFESSIONAL EXPERIENCE

IT Consultant | Accenture , Dallas, TX
February 2018 – Present

- Led a hybrid-cloud migration for a regional bank of 200 servers to AWS, retiring 60% of legacy hardware
- Designed a zero-trust network framework, decreasing malware incidents by 45% within one year
- Conducted quarterly security audits and provided executive dashboards on risk posture

Systems Analyst | Cognizant , Dallas, TX
June 2015 – January 2018

- Automated patch management for 1,000+ endpoints, reducing IT workload by 30%
- Built PowerShell scripts to standardize user-provisioning, cutting onboarding time from 3 days to 1 day
- Trained 25 support staff on best practices for incident response and ticket triage
