## KEY SKILLS

- Ventilator management for neonates
- Surfactant therapy & respiratory support
- Neonatal resuscitation & NRP protocols
- Parent education & kangaroo care
- Multidisciplinary collaboration

## PROFESSIONAL EXPERIENCE

April 2021 - Present

NICU Travel Nurse | Children's Health | Dallas, TX

- Manage ventilator settings for 4–6 preterm infants per shift, achieving a 95% successful extubation rate
- Collaborate with neonatology and respiratory therapy teams to implement surfactant therapy protocols, reducing bronchopulmonary dysplasia (BPD) incidence by 20%

Educate parents on kangaroo care, breastfeeding, and infant safety, enhancing parent confidence scores by 30%

June 2017 - March 2021

NICU Registered Nurse | St. Louis Children's Hospital | St. Louis, MO

- Provided bedside care for 10–12 neonatal patients daily, monitoring vital signs and administering IV medications
- Participated in neonatal resuscitation teams, successfully achieving positive outcomes in 90% of code events
- Developed a NICU parent orientation curriculum, increasing parent satisfaction and engagement

## EDUCATION

Bachelor of Science in Nursing (BSN)

University of Missouri, Columbia, MO | May 2017

## CERTIFICATIONS

- Neonatal Resuscitation Program (NRP), American Academy of Pediatrics, June 2017
- Critical Care Registered Nurse—Neonatal (CCRN-N), AACN, June 2019

## LICENSING

Registered Nurse (RN)

Missouri Board of Nursing | 2017
