

David Jones

Pet Photographer

Compassionate pet photographer with four years of experience capturing animals' personalities in studio and on-location settings. Expert at building rapport with pets and owners, using fast shutter techniques to freeze action, and creating playful compositions. Delivered over 1,200 pet portraits with a 97% client satisfaction rate.

KEY SKILLS

- Fast-action pet photography (burst mode, high shutter speeds)
- Animal handling and rapport building
- Studio and natural lighting for fur and texture
- Adobe Lightroom batch processing and retouching
- Client communication and session planning

PROFESSIONAL EXPERIENCE

March 2020 - Present

Pet Photographer | Wag & Whiskers Studio | City, ST

- Photograph 200+ pet sessions annually, including individual portraits, themed shoots, and action shots, delivering galleries within 72 hours.
- Employ fast shutter speeds (1/1000s+) and burst mode to capture pets in motion, achieving a 95% "keepers" rate per session.
- Guide owners through posing and props to create comfortable, engaging images highlighting each pet's personality.

June 2018 - February 2020

Photography Assistant | Paws & Claws Pet Rescue | City, ST

- Assisted in photographing animals available for adoption, producing 800+ adoption photos that increased adoption rates by 30%.
- Managed lighting setups to flatter fur textures and correct exposure in indoor and outdoor environments.
- Organized and tagged digital assets, maintaining a database of over 5,000 images for rescue marketing materials.

EDUCATION

Associate of Applied Science (AAS) in Digital Media Arts

City Technical College, City, ST | - May 2018
