

HC

Hannah Cook

Intensive Care Unit Nurse

ABOUT ME

Detail-oriented ICU Nurse with 6 years in adult and pediatric critical care. Skilled at ventilator management, invasive monitoring, and evidence-based protocol execution.

PROFESSIONAL EXPERIENCE

ICU Nurse | Metro Children's Hospital, City, ST

April 2018 – Present

- Managed ventilated pediatric patients with zero ventilator-associated pneumonia cases in two years
- Implemented daily sedation-weaning rounds, reducing ICU stay by 1.2 days on average

ICU Nurse | City Medical Center, City, ST

June 2015 – March 2018

- Administered vasoactive drips and titrated sedation for adult trauma cases, maintaining hemodynamic stability in 95% of shifts
- Precepted 8 graduate nurses in ICU protocols and critical-care equipment
