EDUCATION

M.S. in Artificial Intelligence Tech
Institute
City, ST | May 2019

B.S. in Electrical Engineering State
University
City, ST | May 2017

PROFESSIONAL EXPERIENCE

COMPUTER VISION ENGINEER | VISIONX, CITY, ST
JULY 2019 – PRESENT

- Developed object-detection models using YOLOv4, achieving 95% mAP on test set
- Deployed models to edge devices, processing video streams at 30 FPS
- Implemented image-augmentation pipelines, improving model robustness by 12%

DATA SCIENTIST INTERN | ROBOVISION LABS, CITY, ST
JUNE 2018 – JUNE 2019

- Trained CNNs for defect detection in manufacturing images, reducing false positives by 20%
- Automated annotation workflows with Python and label-studio

CERTIFICATIONS

- Deep Learning Specialization, Coursera, February 2020
