

Harold Morris

Entry-Level Data Scientist

(123) 456-7890 · City, ST 12345 · youremail@example.com · LinkedIn | Portfolio

Recent graduate with a B.S. in Computer Science and internship experience in ML research. Proficient in Python, exploratory data analysis, and basic model building. Eager to apply academic projects to real-world business challenges.

Professional Experience

Data Science Intern | GreenHealth Labs | Remote
June 2022 – December 2022

- Conducted EDA on clinical trial data, identifying key predictors of patient outcomes
- Built a logistic regression model achieving 85% accuracy in predicting adverse reactions
- Presented findings to senior scientists, influencing study design adjustments

Research Assistant | University Data Lab | City, ST
September 2021 – May 2022

- Assisted in developing an NLP pipeline for sentiment analysis on 100K+ survey responses
- Evaluated model performance metrics, improving F1 score by 12% through feature selection
- Wrote Python scripts to automate data preprocessing tasks, saving 8 hours per week

Education

B.S. in Computer Science | State University | City, ST
May 2022

Certifications

- IBM Data Science Professional Certificate, May 2022
