PROFESSIONAL EXPERIENCE

Rehab Travel Nurse | Craig Hospital, Englewood, CO
March 2020 – Present

- Provide mobility training and ADL (activities of daily living) support to 6–8 patients per shift, resulting in a 20% improvement in functional independence measure (FIM) scores
- Coordinate with physical and occupational therapists to customize rehab plans, reducing readmissions by 15%
- Educate patients and families on home-exercise programs, improving continuity of care

Rehab Staff Nurse | Shepherd Center, Atlanta, GA
August 2014 – February 2020

- Delivered nursing care for 10 stroke and spinal cord injury patients per shift, focusing on pressure ulcer prevention and spasticity management
- Led weekly interdisciplinary rounds, improving team communication and patient satisfaction by 25%
- Developed a pressure ulcer prevention protocol that decreased incidence by 30%

CERTIFICATIONS

- Rehabilitation Nursing Certification (CRRN), Rehabilitation Nursing Certification Board, January 2016
- Basic Life Support (BLS), American Heart Association, August 2014
