- Technical writing

### EDUCATION

**Bachelor of Arts in English**  
University of Colorado, Boulder, CO  
May 2016

### ABOUT ME

Freelance grant writer with six years of experience creating successful funding proposals for nonprofits and educational institutions. Skilled at aligning narratives with funder priorities, developing persuasive budget justifications, and maintaining strict deadline compliance. Has secured over \$3 million in grants, contributing to long-term organizational growth.

### PROFESSIONAL EXPERIENCE

**Freelance Grant Writer** | March 2018 - Present  
Self-Employed

- Composed over 120 grant proposals with a 68% award rate, helping clients obtain local, state, and federal funding totaling \$3.2 million
- Conducted detailed prospect research to identify high-fit funding sources, tailoring proposals to align with specific mission and grantor goals
- Collaborated with program directors to craft logic models and draft compelling budget narratives that met technical requirements

**Development Associate** | June 2016 - February 2018  
WestPoint Youth Foundation

- Supported senior grant writer by drafting letters of inquiry and preparing supporting materials for foundation and corporate proposals
- Maintained funder database and submission calendar, ensuring 100% on-time delivery of all application materials and reports
- Helped organize two annual fundraising events that together raised over \$250,000 through sponsorship outreach and donor appeals

### CERTIFICATIONS

- Grant Writing Certificate, Grant Professionals Association | March 2022
