

Morgan Johnson

Freelance Web Developer

ABOUT ME

Versatile freelance web developer with 4+ years building custom sites on React and Gatsby. Skilled at managing full-project lifecycles from concept to launch for clients in e-commerce and publishing.

PROFESSIONAL EXPERIENCE

Freelance Front-End Developer

Remote | March 2019 - Present

- Delivered 10+ React/Gatsby sites, increasing client page-speed scores by an average of 35%
- Implemented headless CMS integrations (Contentful, Sanity) for dynamic content management
- Managed client communications, ensuring 100% on-time delivery

Front-End Developer

WebFlow Studio, City, ST | July 2017 - February 2019

- Crafted interactive animations with GSAP, improving user retention by 12%
- Assisted in training two junior developers on best CSS and JS practices
