

Alex Brown

Cruise Ship Security Guard

City, ST 12345 | (123) 456-7890 | email.abrown@example.com | LinkedIn | Portfolio

Cruise ship security guard with five years of maritime security experience safeguarding passengers and crew on international voyages. Expertise in access control, maritime regulations, and emergency response protocols.

KEY SKILLS

- Maritime access control
- Emergency response drills
- Perimeter inspection
- Cargo security
- Regulatory compliance
- Incident documentation

PROFESSIONAL EXPERIENCE

Cruise Ship Security Guard | March 2018 – Present
Oceanic Voyages, Fort Lauderdale, FL

- Enforce access control procedures for 2,500+ passengers across 10-day international cruises
- Lead weekly safety briefings and drills, achieving 100% crew compliance with emergency protocols
- Conduct daily perimeter checks of onboard facilities, reducing unauthorized access incidents by 20%

Port Security Officer | January 2016 – February 2018
Port of Miami, Miami, FL

- Inspected cargo areas and escorted high-value shipments, maintaining a secure environment for port operations
 - Collaborated with the U.S. Coast Guard on vessel security assessments and incident investigations
- Prepared detailed security reports that informed policy updates and training enhancements
