

Cameron Moore

Military Logistics Specialist

City, ST, Zip Code | (123) 456-7890 | [cameron.moore@example.com](#) | [LinkedIn](#) | [Portfolio](#)

Seasoned Military Logistics Specialist with eight years of experience orchestrating supply-chain operations for overseas deployments and domestic bases. Expert in inventory management, transportation coordination, and requisition forecasting under austere conditions.

KEY SKILLS

- End-to-end supply-chain management
- Automated logistics systems (GCSS-Army)
- Hazardous-materials compliance
- Convoy & airlift coordination
- Forecasting & requisition modeling
- Team training & leadership

PROFESSIONAL EXPERIENCE

Logistics Movement Officer | June 2015 – June 2023

U.S. Army, Fort Bragg, NC

- Managed the shipment and receipt of \$75M in equipment and supplies, achieving 98% on-time delivery
- Coordinated 300+ convoys and airlifts across multiple theaters, reducing transit delays by 20%
- Implemented a new requisition forecasting model in GCSS-Army, cutting stock-out incidents by 35%

Supply Operations NCO | January 2012 – May 2015

U.S. Army, Fort Hood, TX

- Oversaw a 50,000-item warehouse, maintaining 100% inventory accountability
- Trained and led a 10-person team on automated warehouse management, improving pick-rate efficiency by 25%
- Executed hazardous-materials handling protocols, ensuring zero safety violations

EDUCATION

Bachelor of Science (B.S.) in Supply Chain Management

State University, City, ST May 2011
