## KEY SKILLS

- Infection-control construction
- Medical equipment coordination
- Joint Commission compliance
- Phased critical-care scheduling

## CERTIFICATIONS

- Certified Healthcare Constructor (CHC), American Hospital Association, May 2016

## ABOUT ME

Healthcare Construction Project Manager with 10 years of experience overseeing hospital expansions and medical office fit-outs. Expert in infection-control protocols, equipment sequencing, and meeting Joint Commission requirements.

## PROFESSIONAL EXPERIENCE

### Healthcare Project Manager

MedBuild Partners, Atlanta, GA | January 2015 - Present

- Managed 6 hospital wing expansions (\$25M-\$80M), coordinating equipment installs to align with phased patient care.
- Implemented infection-control measures, achieving zero outbreaks during construction.
- Oversaw medical gas and HVAC sequencing to ensure uninterrupted critical-care services.

### Assistant Project Manager

HealthCare Constructors, Atlanta, GA | March 2012 - December 2014

- Scheduled vendor deliveries of specialized medical equipment, reducing installation delays by 20%.
- Conducted weekly safety walks to enforce sterile-zone protocols.

## EDUCATION

Bachelor of Science in Construction Management

Georgia Southern University, Statesboro, GA | May 2012
