KEY SKILLS

- Distribution planning
- Inventory reconciliation
- J-4 logistics systems
- Vendor liaison & contract support
- Cost-control analysis
- Transportation coordination

ABOUT ME

Resourceful military logistics coordinator with five years of experience overseeing supply movement, inventory accuracy, and distribution planning in austere environments. Skilled at leveraging J-4 systems and liaising with civilian contractors.

PROFESSIONAL EXPERIENCE

Logistics Coordinator

U.S. Army Sustainment Command, Fort Lee, VA | March 2017 - March 2022

- Managed distribution of 8,000+ supply pallets monthly, achieving 99% inventory accuracy
- Developed cost-control measures that cut transportation expenses by 10% annually
- Coordinated with civilian vendors to expedite emergency shipments under tight deadlines

Supply Technician

U.S. Army, Fort Lee, VA | June 2015 - February 2017

- Reconciled warehouse inventories of over 20,000 line items, resolving discrepancies within 48 hours
- Scheduled and tracked convoy movements, ensuring 100% on-time deliveries across multiple bases
- Trained 15 personnel on logistics information systems and best practices

EDUCATION

Bachelor of Science (B.S.) in Supply Chain Management

Virginia Commonwealth University, Richmond, VA | May 2015
