

Malik Weston

Construction quality control manager

ABOUT ME

Construction quality control expert with a focus on site safety and compliance

Construction quality control manager with 10 years of experience ensuring workmanship and safety across large commercial and federal projects. Familiar with Army Corps of Engineers (USACE) protocols, punch list generation, and subcontractor coordination.

PROFESSIONAL EXPERIENCE

Construction Quality Control Manager

Allied Structures LLC, Dallas, TX | January 2018 - Present

- Monitor and document compliance with contract specifications for military base projects valued over \$20M
- Coordinate third-party inspections and ensure safety documentation is submitted on time
- Trained field staff on documentation procedures and construction checklists

Quality Engineer

TripleBuild Commercial, Fort Worth, TX | May 2014 - January 2018

- Developed field inspection templates and quality assurance checklists for six commercial projects
- Reviewed submittals and shop drawings to confirm compliance with project specs
- Reported quality issues and supported resolution meetings with site supervisors
