PROFESSIONAL EXPERIENCE

RESIDENTIAL CARPENTER | MODERN HOMES LLC, ORLANDO, FL
FEBRUARY 2016 – PRESENT

Modern Homes LLC | Orlando, FL | June 2016 to Present

- Completed 30+ home renovation projects ranging from full kitchen remodels to whole-home interior refreshes, increasing average project completion efficiency by 20% through standardized phase sequencing
- Installed custom cabinetry and trim carpentry packages for 25+ clients, with 95% of clients rating installation quality as 'excellent' on post-project surveys
- Managed 4 concurrent renovation projects simultaneously, coordinating material deliveries, subcontractor schedules, and client walk-throughs without missing a single milestone deadline over 3 consecutive years
- Collaborated with licensed electricians, plumbers, and HVAC technicians on 20+ complex renovation projects, ensuring all rough-in work was properly accommodated in finish carpentry installations
- Estimated materials for all 30+ projects with an average variance of less than 5% from actual usage, reducing client change orders and material overruns consistently
- Built and installed 15+ custom kitchen islands, built-in bookcases, and entertainment centers, earning repeat business from 60% of completed residential clients
- Maintained 100% compliance with Florida Building Code requirements across all 30+ residential projects, with zero failed inspections over 8 years of active work

CERTIFICATIONS

- Journeyman Carpenter Certificate, Florida Department of Labor, February 2019
- OSHA 10-Hour Construction Safety, OSHA, March 2022
- Lead Renovation, Repair and Painting (RRP) Certification, EPA, June 2020
