PROFESSIONAL EXPERIENCE

Lead Event Bartender | Elevate Events, Denver, CO July 2021 – Present

- Execute complete mobile bar installations for premium events serving 200-1,000 attendees, coordinating equipment transport and setup logistics across 15+ venues monthly
- Collaborate directly with 50+ clients annually to design customized beverage menus, achieving 30% increase in specialty cocktail sales and \$25,000 additional revenue per quarter
- Lead and train teams of three to eight bartenders per event, implementing service protocols that maintain 95% guest satisfaction ratings across all functions
- Manage on-site beverage inventory valued at \$5,000-\$15,000 per event, optimizing stock levels to reduce waste by 20% while ensuring uninterrupted service
- Coordinate with event planners and venue staff to execute seamless bar service timelines, completing setup within two-hour windows for same-day events
- Develop signature cocktail recipes for corporate clients, creating branded drink experiences that enhance event themes and increase client retention by 40%
- Monitor alcohol service compliance and guest safety protocols, maintaining zero incident record across 200+ events throughout three-year tenure

Bartender | Peak Catering, Denver, CO May 2017 – July 2021

- Delivered beverage service at 150+ weddings, galas, and corporate events annually, consistently achieving 98% customer satisfaction ratings through attentive guest interaction
- Managed real-time inventory tracking for events serving 100-500 guests, implementing waste reduction strategies that decreased beverage costs by 15%
- Executed rapid bar setup and breakdown protocols within 90-minute timeframes, ensuring efficient venue transitions for back-to-back event schedules
