- Head-to-toe assessment
- Epic EHR & MAR documentation
- IV starts & venipuncture
- SBAR handoff
- Foley & NG insertion
- Glucometer & POC testing
- Patient education
- BLS-level emergency response

ABOUT ME

New graduate RN with senior practicum on a 28-bed medical-surgical unit and 540+ clinical hours across med-surg, ICU, L&D, and community health. NCLEX-RN passed on first attempt. Comfortable with Epic charting, head-to-toe assessments, and bedside report using SBAR.

PROFESSIONAL EXPERIENCE

Senior Nursing Practicum (Capstone)

Copper Ridge Medical Center, Mesa, AZ | January 2024 - May 2024

- Completed 180-hour capstone on a 28-bed med-surg unit under RN preceptor, progressing to a full 4-patient assignment by week 8
- Performed admission assessments, IV starts, blood transfusions, and discharge teaching for post-op ortho and GI patients
- Charted in Epic including MAR, I&Os, and care plans; passed all preceptor competency checkoffs on first attempt
- Co-led a unit huddle on fall prevention after a near-miss event, reinforcing yellow-sock and bed-alarm protocol

Patient Care Technician

Copper Ridge Medical Center, Mesa, AZ | June 2022 - December 2024

- Supported 6-8 patients per shift with vitals, ADLs, blood glucose checks, and 1:1 sitter coverage
- Recognized a patient with new-onset confusion and notified the RN, leading to a CIWA protocol start within 30 minutes
- Trained 4 new PCTs on hourly rounding and safe patient handling using the unit's lift equipment

EDUCATION

Bachelor of Science in Nursing (BSN)

Arizona State University | May 2024

- Licensure: RN, Arizona #RN-554120 (compact), issued June 2024
- Certifications: BLS (AHA), Stroke Certification, Crisis Prevention Institute (CPI)
