KEY SKILLS

- SQL
- Excel modeling
- Salesforce reporting
- Tableau
- Pricing analysis
- Requirements gathering
- Process mapping
- Stakeholder communication
- Healthcare claims data
- Loan portfolio reporting

PROFESSIONAL EXPERIENCE

Senior Business Analyst | Saguaro Health Partners, Albuquerque, NM
March 2022 - Present

- Lead pricing analysis for the commercial book; last contract renewal cycle moved blended rates up 4.6% with no account losses.
- Rebuilt the monthly operations review deck so the CFO stopped asking for the same three pulls every month.
- Run ad-hoc analyses for the COO, averaging 6-8 requests a month during planning season.
- Trained two new analysts on our SQL conventions and the quirks of the claims warehouse.

Business Analyst | Mendoza Capital Lending, El Paso, TX
March 2019 - August 2020

- Owned the weekly originations report for a \$310M loan portfolio across seven states.
- Wrote requirements for a Salesforce build-out that replaced a chain of shared inboxes used by underwriting.
- Caught a coding error in the broker commission file that had overpaid four partners by about \$46K.
- Sat on the credit committee in a non-voting role, prepping data packets for 20+ deals per quarter.
