Asheville, NC 12345

## EDUCATION

**BSN, Louisiana State University Health Sciences Center, 2013**

**Licensure: RN, Compact (NC primary), NY, CA**

**Certifications: CCRN, ACLS, BLS, PALS, TNCC, NIH Stroke Scale**

## KEY SKILLS

- ICU and ED charge
- CRRT, IABP, Impella, ECMO awareness
- Mechanical ventilation and vasoactive drips
- Crisis and strike contracts
- Trauma and stroke alerts
- Preceptor and code committee
- Epic, Cerner, Meditech, Allscripts
- Multi-state licensure (compact + NY/CA)

## ABOUT ME

Travel ICU and ED nurse with 11 years of acute and critical care across 18 contracts in 9 states. CCRN-certified, comfortable as charge in 20-bed mixed ICUs, and experienced with crisis and strike contracts. Holds compact, NY, and CA licensure.

## PROFESSIONAL EXPERIENCE

**TRAVEL RN, ICU / CHARGE | BLUE RIDGE TRAVEL HEALTH, ASHEVILLE, NC (NATIONAL ASSIGNMENTS)**  
2019 - PRESENT

- Completed 14 ICU contracts across 7 states including 3 crisis assignments during COVID surges in NY and TX.
- Took charge on 18 to 22-bed mixed ICUs within 2 weeks of start on 6 separate assignments.
- Precepted travel and core nurses on CRRT, balloon pump (IABP), and Impella across 4 facilities.
- Maintained a 100% contract completion rate over 14 assignments; 5 facilities requested return contracts.
- Served on a unit-based code committee at a Level I trauma center and helped revise the rapid response trigger list.

**TRAVEL RN, EMERGENCY DEPARTMENT | NORTHSTAR CLINICAL STAFFING, MULTIPLE CITIES**  
2017 - 2019

- Worked 4 ED contracts at Level II and Level III centers ranging 24 to 48 beds, average 4 to 5 patient load.
- Functioned as triage RN and trauma room primary; ESI-trained and credentialed on TNCC.
- Helped open a 12-bed fast-track pod at a Denver-area ED, including standing-order workflow and stock pars.
- Pulled to charge on weekend swing shifts within first month at 2 of 4 assignments.

**STAFF RN, SURGICAL/TRAUMA ICU | CYPRESS BAYOU MEDICAL CENTER, NEW ORLEANS, LA**  
2014 - 2017

- Held 1:1 and 1:2 assignments on a 20-bed STICU including post-op CABG, AAA repair, and trauma admits.
- Earned CCRN in 2016 and joined the unit's CRRT super-user team.
- Precepted 9 new graduate nurses through 16-week critical care residency over 3 cohorts.
- Co-chaired the unit practice council and rewrote the sedation vacation protocol used hospital-wide.

**STAFF RN, STEP-DOWN/PCU | MERCY HEIGHTS HOSPITAL, BATON ROUGE, LA**  
2013 - 2014

- Cared for 3 to 4 cardiac and post-stroke patients on a 24-bed PCU with continuous telemetry.

- Completed ACLS and NIH Stroke Scale certification in first year.
- Identified a documentation gap in stroke time-last-known-well that became part of unit huddle script.
