 Raleigh, NC

## KEY SKILLS

- NetSuite, Sage Intacct, QuickBooks Online
- ASC 606, ASC 842, ASC 350 technical research
- Power BI, Excel (Power Query, pivot models)
- FloQast, BlackLine reconciliations
- Sales tax (Avalara), 1099 filings, SOX 404 walkthroughs

## PROFESSIONAL EXPERIENCE

December 2021 - Present

**Senior Accountant** | Thornwell Industrial Group | Raleigh, NC

- Lead the monthly close for two manufacturing entities, cutting close cycle from 11 business days to 6 by restructuring the prepaid and accrual workflow
- Own revenue recognition for \$42.6M in long-term contracts under ASC 606, including SSP allocations and contract modification memos reviewed by external auditors
- Reconcile 80+ balance sheet accounts each month and review staff accountant entries before posting
- Built a Power BI dashboard tying GL activity to operational KPIs, now used in monthly business reviews by the COO

June 2018 - November 2021

**Audit Senior** | Halberd & Pruitt CPAs | Charlotte, NC

- Ran fieldwork on 9 to 12 audit engagements per year for clients in the \$20M to \$180M revenue range
- Drafted technical memos covering lease transition (ASC 842), goodwill impairment, and stock comp
- Coached two staff auditors through busy season, both promoted to senior the following year
- Identified a \$310K revenue cutoff error at a software client and worked with the controller on the correcting entry

## EDUCATION

**B.S. in Accounting**

North Carolina State University | - May 2018

CPA, North Carolina (License #38241), 2020
