## PROFESSIONAL EXPERIENCE

### Family Nurse Practitioner

Cedar Ridge Primary Care, Raleigh, NC | February 2021 - Present

- Manage a panel of about 1,400 adult and adolescent patients, averaging 22 visits per day across acute, chronic, and wellness care
- Lifted diabetes panel HbA1c-under-8 rate from 61% to 78% in 18 months by tightening medication titration cadence and adding pharmacist co-visits
- Serve as site lead for annual wellness visits; restructured templates that cut documentation time by roughly 15 minutes per encounter
- Precept 2-3 FNP students per semester from UNC Chapel Hill and Duke, with all students passing AANP boards on first attempt
- Co-chair quality committee that closed care gaps in colorectal and mammography screening, raising clinic HEDIS scores two tiers

### Nurse Practitioner

Urgent Care BlueOak Urgent Care, Cary, NC | June 2018 - January 2021

- Evaluated 28-35 walk-in patients per shift for respiratory, GI, MSK, and minor trauma complaints
- Cut unnecessary antibiotic scripts for viral URIs by about a third through shared decision-making scripts and patient handouts
- Trained 6 new NP hires on EMR workflows and X-ray interpretation handoffs with radiology
- Maintained patient satisfaction scores above 4.7 of 5 across all quarters tracked
